

I AM GAY

AND THIS IS WHERE I PRAY

We have always been a part of this congregation.

We are your sons, fathers, brothers, uncles, nephews and friends.
It's time to treat us with the love we deserve.

I AM GAY

AND THIS IS WHERE I PLAY

We have always been a part of this community.

Gay and straight, we play ball together, and see each other at the barbershop and church. It's time to treat us with the love we deserve.
